## Save the Family needs donations for Back 2 School Bash in August

Save the Family Foundation of Arizona, a local nonprofit that helps homeless families get back on their feet, needs your help with its annual Back 2 School Bash. Serving more than 300 children, the foundation relies on the community for donations and support.

Save the Family's annual Back 2 School Bash will be held Friday, Aug. 4. This year the goal is to send every child in the program back to school with a new outfit for their first day and new school supplies. Back 2 School donations will be accepted through July 28.
