

Bleaching for Tots

Many of our children spend their days in daycare facilities with lots of other children. Germs run rampant in this atmosphere so its important that when our families bring their kids to Save the Family that they have a clean, germ free environment.

Project Dates: Any Friday

Project Time: 8-11am or 1-4 pm

Number of Volunteers Needed: 1-2

Project Activity: We have a child's playroom and lobby area that our kids are constantly playing in. We are looking for volunteers to clean the toys and furniture in those rooms.

Project Location: Save the Family
