

“Thank you for helping my daughter and me get off the streets and into a home. We are so thankful to have a roof over our heads. With help from the Career Development Center, I found a full time job and was recently promoted to supervisor. I have learned how to budget my money, set goals for the future, and be a better parent to my daughter. I am so appreciative that Save the Family helped me rebuild my life.”

-Shawna, Save the Family Client
